## Iseo Idea - panic and emergency hardware

- ★ Certified in accordance with EN 1125:97 A1:2001 and CE Marked
- ★ Suitable for high usage doors including PVCu doors
- ★ We use this device as our preferred panic bar because it is a versatile unit at a good selling price and provides the quality we need for our clients.

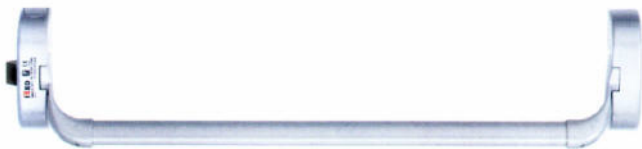

Iseo's know-how and extensive experience in the construction of safe, practical devices combined with their outstanding ability to integrate design and technical innovation has resulted in a panic exit device
