*Extended KTARP post  
showing concealed padlock*

Telescopic posts provide excellent deterrence from illegal or inconsiderate parking and theft of vehicles. The telescopic feature provides convenience and ease of use. There are two types shown here. These posts are not however suitable in very high-risk applications. Such risks eg electrical stores and cash machines require even heavier duty devices – please ask for details.

### Anti Ram Raid Post (KTARP)

A heavy duty post for commercial applications.

- ★ 100mm square construction
- ★ 4mm thickness steel
- ★ Zinc plated for protection against corrosion
- ★ Kick plate for easy operation
- ★ Submerged depth 770mm
- ★ Extends to 550mm above ground
- ★ Comes with quality discuss padlock

### Heavy Duty Telescopic Post (KTP3P)

Sturdy but lighter duty post for low security or domestic applications.

- ★ 70mm square construction
- ★ 3mm thickness steel
- ★ Zinc plated for protection against corrosion
- ★ Submerged depth 740mm
- ★ Extends to 550mm above ground
- ★ Comes with quality discuss padlock

These post can be supplied for your own installation or we will be happy to provide a quote for installation by our own team.
