

Prikka Strip

Anti-climb intruder deterrent

Fences
Prikka-Strip's unique double hinge design fits weatherbar profiles

Gate tops
prikka-Strip makes gates even more difficult to climb over

Walls
Prikka-Strip can be fitted side by side to increase the effect.

Pipes
Fit Prikka-Strip to external pipes to protect your property still further

Prikka-Strip is a triple row of pointed cones, 15mm high, moulded from polypropylene.

It provides first class deterrence against intruders intent on climbing into secured yards, compounds or gardens.

The unique double hinge design allows it to be formed neatly and securely in restricted width applications. It has excellent UV weathering resistance.

- ★ Effective, low cost deterrent against unwelcome intruders
- ★ Fits to top of walls, gates, pipes, sills etc
- ★ Designed for maximum discomfort, minimum harm
- ★ Unique double hinge design allows easy fixing to angled surfaces
- ★ Easy to use half metre strips can be nailed screwed or glued (see fixing instructions)
- ★ Fits side by side to increase effective width where necessary.
- ★ Made from unobtrusive neutral grey/brown polypropylene
- ★ Weather-proof and durable

Dimensions

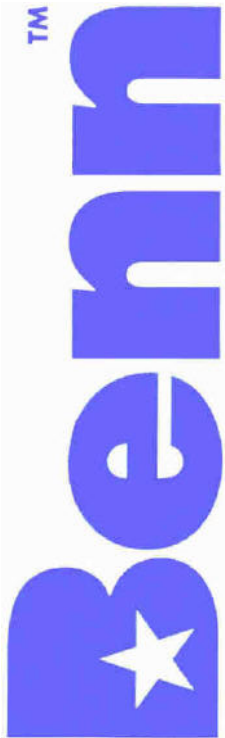

Each strip is 500mm long by 45mm wide and 15mm high.

There are 8 strips per pack giving 4 metres of protection.

Warning

Prikka-Strip should be fitted out of reach – especially consider the reach of children.

It is recommended that warning signs be placed adjacent to installed product.
