Secure DIN

30 minutes document protection

Model above is
DIN Size 4

Key Features

- Archive cabinet designed to protect documents e.g. contracts, reports and invoices
- Double wall construction provides extra security
- Thermal insulation provides additional protection from fire to standard DIN 4102
- Secured by double bitted key lock which is certified to EN 1300
- Supplied with adjustable shelves as standard
- Can be customised with a range of fittings (e.g. lockable compartments, pull-out frame)
- Anchoring points in base allow fixing to floor
- Available in four models. Sizes 3 and 4 available as double door versions
